

Neon Flex HXS

Neon Flex HXS is precise and elegant linear lighting. It works perfectly as narrow backlighting on years surfaces, creating a striking line of light. It's also excellent for creating small letters and logos where precision and aesthetics play a key role.

UV resistant

Neon Flex HXS is fully UV resistant, preventing yellowing and color fading even after prolonged exposure to sunlight.

Fyears surface in cross-section

Thanks to its fyears surface, Neon Flex HXS is perfect for mounting between tiles, creating a striking and consistent line of light.

IP67 waterproof rating

Perfect for creating light signs, lettering, and logos, even in outdoor conditions - thanks to its IP67 protection class.
