

## LED controller

# Otie Bluetooth Mesh

The Bergmen Otie RGBW Bluetooth Mesh LED controller is a professional device for 6–24 V DC LED lighting, enabling wireless control of up to 250 devices simultaneously. It offers a wide power range – 30/60/120 W + 3×18/36/72 W – and an output current of 3×3A + 5A, providing precise RGBW control. With an IP68 protection rating and compact dimensions, it is suitable for demanding installations, offering stable and convenient smartphone operation.

## Technical specifications

Model	Product code	Color	Voltage	Power	Output current	IP	Control	Operating temperature
